Løs krydsord.

A crossword puzzle grid on a light blue background. The grid consists of 10 empty square cells. To the left of the first row is a black cat with yellow eyes. Above the third cell of the first row is a green tree. Below the second cell of the first row is a white egg. The grid layout is as follows: Row 1: three cells; Row 2: one cell under the third cell of Row 1; Row 3: one cell under the second cell of Row 1, and two cells under the third cell of Row 1.

A crossword puzzle grid on a light blue background. The grid consists of 13 empty square cells. To the left of the first row is a red house with a grey roof. Above the third cell of the first row is a silver nail. To the right of the first row is a playing card, the Ace of Clubs, with 'A' at the top and 'V' at the bottom. Below the second cell of the first row is a brown mouse. The grid layout is as follows: Row 1: three cells; Row 2: one cell under the third cell of Row 1; Row 3: one cell under the second cell of Row 1, and two cells under the third cell of Row 1; Row 4: one cell under the second cell of Row 1, and two cells under the third cell of Row 1.
